

HARVEST DONATIONS 2023

Please help us to help others.

As part of our harvest celebrations we are collecting non-perishable foods e.g. tins and packets to give to the Driffield Foodbank.

These will be displayed in the school entrance to be referred to during our harvest assembly on Monday 2nd October.

If all staff and pupils brought just one item, we would have around 600 items to help families who are struggling. That would be AMAZING!!

Your help would be much appreciated.

Please send in your donations to the school office by Friday 30th September.
